Old Business:

Lareau House 402 S. Lincoln	We have amended the project. See new business.	
Update from Dan regarding Serrano 606 S. Polk		Running total as of June 2025 is $33,455.38.
School East Easement	Check catch basin in elementary school alley. – King talked to Casey Ehlinger. The board discussed that the alley is a town easement. The town will fix the hole and gravel it. If the school wants it paved that will need to be done at their own expense.	Jason will follow up to confirm completion.
Patterson Tile Project 413 S. Clay	Install a good tile on Indiana St. to correct the drainage issues with the houses on Clay St. This tile would run north and south. We would also put in a catch basin on Wabash Ave. We will have Josh Yoder do the work. The town will pay for the project and the individual homeowners will pay the town for hooking into the tile.	New tile laid; property owners need to decide if they want to pay the expense to attach to our tile.
Dortsch's on Grove St.	Becky contacted Bill Smart to see if we could do something to alleviate the water problem in their driveway.	Estimate received from Yoder Drainage Town Board will take under advisement
Tile from old well 41 overhead	Dig up west side of RR tracks on town property.	Nikki made a motion Kathy seconded to have JR Yoder come out and see what the cost of this project will be.
